TECHNICAL REPORT – CO-OP WORK TERM SUMMER 2021

**ANALYSIS OF UPEI ROBERTSON LIBRARY
RESOURCES USAGE BY UPEI STUDENTS**

Introduction

My work term at the Robertson Library consists of updating instructional content and theming of their websites, creating user guides through Office Suite and after completing this report, I was able to gain insights on how the students' usage of resources such as Library Space Reservations, Printing, laptop rental and Book rental varies throughout the last 5 semesters: Winter 2019 till Winter 2021.

UPEI ROBERTSON LIBRARY

The library is dedicated to help us, students, in various ways. They offer both onsite and virtual assistance every day during Fall and Winter semesters. Thanks to the help of my supervisor and her fellow colleagues, I was able to analyze a collection of data and below you can see how the specific resource were used by UPEI students.

Kindly view [Figure 1](#) in the Appendices.

N.B. Printing data was not collected until Fall 2020

The line chart gives us an immediate idea that the Library Space Reservation is the most popular one among the others and we can see that from Winter 2019 till Winter 2021, the overall values has gone down and
